9200 Cooperation Between Parents and School

9200 COOPERATION BETWEEN PARENTS AND SCHOOL

The Board believes that the education of children is a joint responsibility, one it shares with the parent(s) or legal guardian(s) and the school community. To ensure that the best interests of the child are served in this process, a strong program of communication between home and school must be maintained and parental involvement in district concerns encouraged.

The Board recognizes the vital role of parent(s) or legal guardian(s) in the welfare and education of their children and the pivotal part they play in shaping character and values. Because parent(s) or legal guardian(s) are familiar with the needs, problems, gifts and abilities of their children, staff should seek to involve parent(s) or legal guardian(s) as much as possible in the planning of the individual program.

Parent(s) or legal guardian(s) must, by law, be included in the development of certain educational programs for their children.

Parent(s) or legal guardian(s) are requested to keep the school apprised of changes in factors in the home situation which may affect pupil conduct or performance. Parent(s) or legal guardian(s) are specifically requested to inform the school of any changes in legal custody of the child.

Parent(s) or legal guardian(s) are responsible for their child's punctuality, attendance, cleanliness and propriety of dress.

The Superintendent shall develop procedures and regulations to implement this policy. These regulations shall include use of the parent's or legal guardian's native language when necessary.
